- **Hall Update – pre wire getting done this week for fire system. Stair price is remaining the same. Now need to raise the funds for them. Update to go on hall door and website**
- **Website Update** – Is up and running and get someone outside of the committee that can input into our website. Linked our website with facebook as well.
- **Update on Estuary** - Nothing new to report, positive feedback from Rusty but he is no longer in that position. Concerns about the estuary silting up and the ecoli present as it is not flushing out. Believe it might be worthy following up with the new council.
